NOTES FOR DDCI

2. A Yugoslav official has told our Consulate in Zagreb that Khrushchev will visit Cuba soon, possibly in November, and will follow this by stopping over in the US. The Yugoslav said that "K" is greatly concerned about increased Chicom influence in Cuba. Some of the other things the Yugoslav had to say had a hollow ring to them and his information may be open to question.

4. You inquired the other day as to the plans for keeping the [redacted] visiting firemen moving about and seeing displays. FYI, they are to be presented an exhibit of CIA documents available to the Military. They will be shown an exhibit of paramilitary equipment. They will be shown a Commo exhibit and they will make a tour of the CIA Library, Machine Division, Biographic Registry, and Graphics Registry.

*I asked them to do this -*
